

## Sage CRM Budget Planner

### Manage income and expenditure throughout your organization with Sage CRM

Greytrix has unrivalled, direct practical knowledge and experience with the Sage CRM system over many years.

Part of the Greytrix Business Manager Suite, the **CRM Budget Planner** takes all the main concepts of Budget Management and delivers a pragmatic and highly effective management tool that is intrinsically integrated with the Sage CRM platform. Budget Planner utilises all the benefits of CRM including Escalation and Notifications, Workflows, Interfaces etc. but also delivers Budget Allocation and Thresholds Exceeded.

The CRM Budget Planner is a proven tool that will monitor and enhance financial management as well as improve communication throughout your team whilst also providing a speedy and auditable turnaround to budget transactions.
