

Sage CRM Social Media Manager

The Next Generation in CRM Media Communications

Greytrix has unrivalled, direct practical knowledge and experience with the Sage CRM system over many years.

The CRM Social Media Manager takes CRM to the next level with full intrinsic integration with all the well-established online social media communities. This integration goes to the level whereby these communities become a new most powerful database to market against, broadcast against and ultimately develop your online presence and revenue channels. Communities includes LinkedIn © and facebook © as well as being able to add your own community connections. It is completely integrated into Sage CRM so that all the benefits of CRM are leveraged including designs of user interface, searching, and reporting and document management.
