Native Solution

INDIAN LOCALIZATION SUITE works as a comprehensive native tax management and statutory reporting solution for Indian business requirements. It streamlines the Indian Tax system and allows businesses to easily manage and stay updated with Indian GST and TDS regulatory compliance.

-  Quick and Cost-Effective
-  Accurate GST Calculation
-  Automated TDS Deduction
-  E-invoicing Integration
-  Simple TDS Returns Process
-  Comprehensive Statutory Reporting

SALES COMMISSION is a modern end-to-end solution that streamlines easy and error-free sales commissions and calculations. The app ensures enhanced commission payment processes and timely payments and eventually helps businesses to achieve improved productivity.

-  Easy Commission Payments
-  Commission Calculations & Adjustments
-  Easy Commission Posting
-  Commission Structures & Rules
-  Effective Commission Tracking
-  Accurate Reporting

Industries We Cover

We have years of experience in being the trusted, gold-standard Sage Intacct consulting and implementation partner across multiple industries.

SaaS

Healthcare

Non-Profits

Wholesale Distribution

Finance

Hospitality

Accounting Firms

Professional Services

We Help You Achieve

Solid Security Controls

We help you leverage the high-security infrastructure of Sage Intacct to ensure solid security through the system and 24/7 monitoring.

Flexible Integration

GUMU™ is our integration platform that supports easy and seamless between two systems. This champion integration runs on a no-code principle which makes the entire integration process a lot more flexible.

Financial Insights

Make data-driven decisions with financial insights available on a customizable dashboard. As a result, your business productivity increases along with confident decision-making.

Reporting & Dashboarding

Take your financial reports to the next level as we help you create a reporting dashboard that quickly access and analyze real-time business performance and that too without any complexity.

About Greytrix

With 23+ years of leading expertise as Sage Partners and producing industry-relevant solutions, Greytrix brings innovative integration solutions for ERP systems (Sage Intacct, Sage X3, Acumatica, Sage 100, and Sage 300) with CRM (Salesforce, Dynamics 365 CRM, and Sage CRM), third-party apps (Rev.io, Rent Manager, Avalara, and MediusGo), and cloud storage systems (HRMS and Sales App).

GUMU™, the champion integrator enables seamless integrations, thus expanding the functionalities of your systems.
